Business Insights & Recommendations

Top Performing Region

- West region generated the highest sales (~\$0.52M).
- It also produced the highest profit (~\$68K).
- This region should receive additional marketing investments.

Best Category

- Office Supplies contributed the highest sales (~\$0.64M).
- Technology products generated strong revenue and profitability.
- Inventory planning should prioritize these categories.

Sales Trend

- Sales increased significantly in October, November, and December.
- The company experiences strong year-end demand.

Shipping Analysis

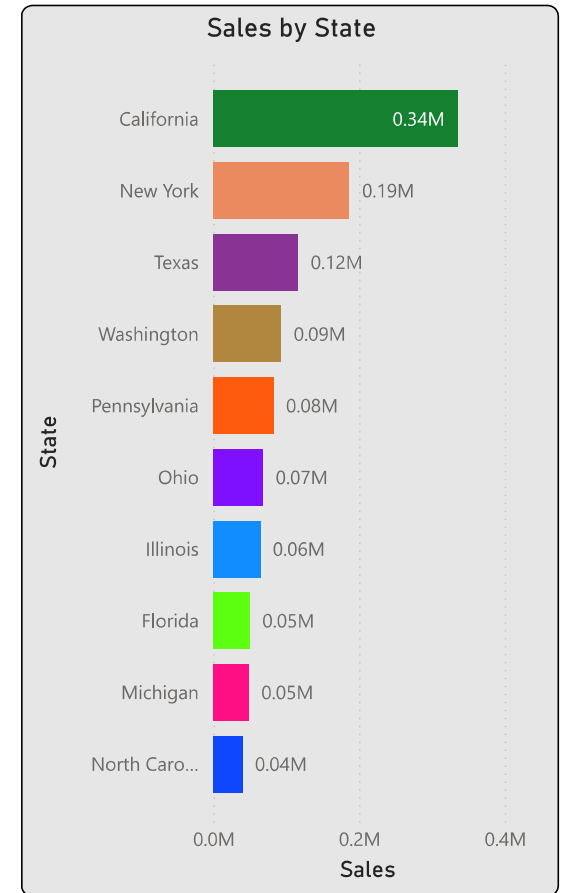

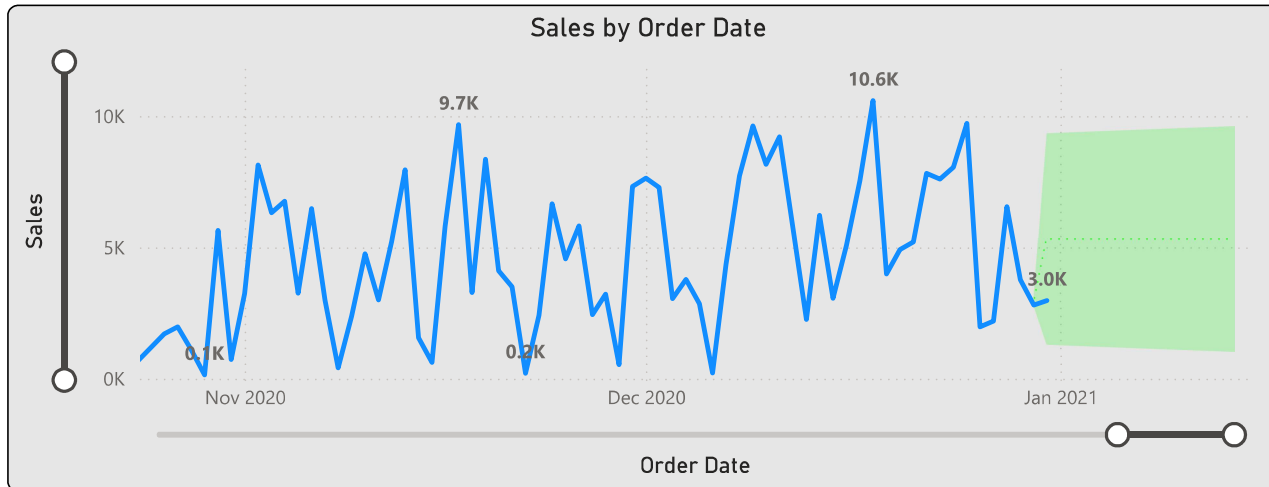

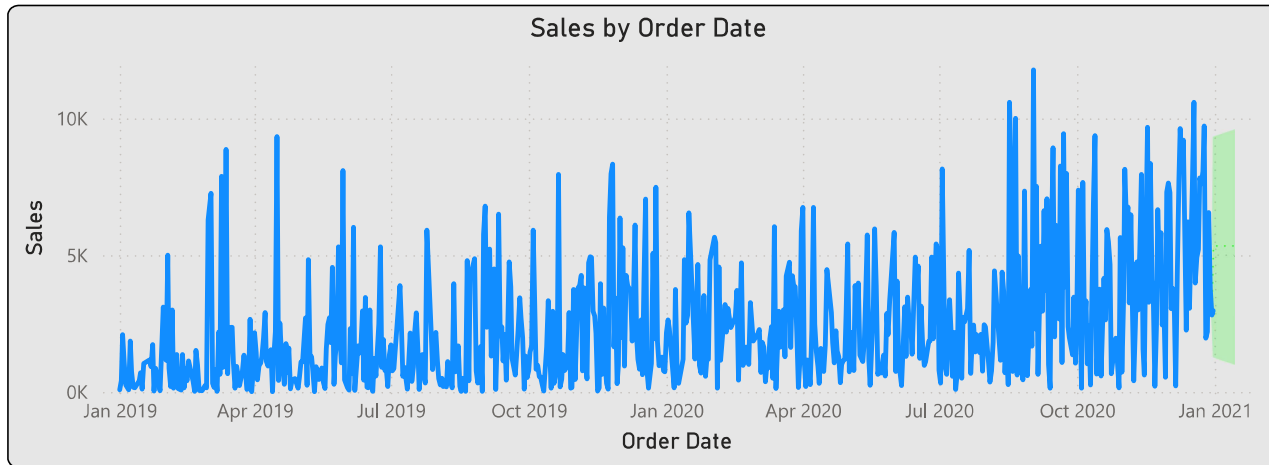

- Standard Class shipping contributes the highest sales.
- Same Day shipping contributes the least.

Strategic Recommendation

- Focus marketing efforts on West and East regions.
- Increase inventory for Office Supplies and Technology.
- Analyze low-performing regions to improve sales.
